New Residents Meet To Discuss Streets

By HEENE ALLISON
MEMO 4-92430

Father's Day brought many surprises to the unsuspecting "papas" up and down our streets. Many a dad spent "his day" taking the family on an outing, to the beach or the park. The luckiest dad we've heard of to date is Tommy Fannon, whose boys presented him with a portable barbecue!

The residents of 166th to 168th on the new additions to Glenburn, Falda, and Faysmith streets have such pretty homes and they are taking advantage of this nice weather to make them even prettier. Meeting at the home of Mr. and Mrs. J. A. Jensen, 16712 Falda, were some 15 residents representing 25 homes of that street who got together to decide what was to be done as far as planting trees was concerned. The city Department of Parks was consulted and the group decided to plant the Victorian Box, an evergreen tree along the curbs. This section is to be congratulated for the efforts made to make this an even more desirable location.

While on the subject of yards, the Al MacKenzies, 4332 W. 179th St., have just had their backyard landscaped, and it is quite beautiful with the new lawn and shrubs.

Latest tragedy of the roller rinks is Jeannette Babjohn who took a spill which resulted in a broken arm at the popular Gardena rink.

Many churchgoers found their way to MacMaster Hall Sunday to hear the first sermon of the new minister of Community Church, Rev. Homer Miller, formerly of Central Church. Tommy Johnson, six-month-old son of Mr. and Mrs. Burt Johnson, 17219 Atkinson Ave., was baptized at this service with grandparents from both sides of the family in attendance. Mr. and Mrs. E. R. Kaar of Minneapolis, and Mr. and Mrs. A. E. Johnson of Los Angeles.

Grandma Baxter, who resides with the Calveys at 17213 Atkinson, is spending a vacation with relatives in Chicago.

Much excitement at the Bob Richter household this weekend when Bob flew in from Florida where he has been for the past weeks in behalf of Northrop. Father's Day at 17224 Crenshaw was quite eventful, with the Dennis Nelson family of Salinas visiting over the week-end and Bob returning. The group gathered at the Duane Sherwoods' to show movies of the very picturesque surroundings of Cocoa Beach.

Les Matson, 17009 Crenshaw, planned in from Wichita Tuesday

combining a visit to his father Mr. Albert Matson of that city and a convention in Chicago of the Argus Camera Co. with which he is associated. A trip through the factory to study the precision grind of the new lenses and a concise study of the newer trends of photography and equipment plus a delightful stay at the Country Club, climaxed an enjoyable trip.

The junior class of Community Church spent an exciting day at Lake Elizabeth Saturday. Motoring up with the class teacher, Ed Collins and wife Ann, the group played ping-pong, went for a swim in the pool, and took in the various other activities offered by the club. Those adding their second to a good time included Martha Babb, Willa Harris, Darlene McKee, Sally Collins, and Donald Alford.

Nothing like getting a preview of things to come! The Campfire Girls have been busy packing their suitcases and bedding for summer camp at Camp Yal-lani near Barton Flats. This excursion always causes much furor among this set, for it is here that the things learned all year are put to practice. The girls get to share in the clean-up program, setting of the tables in the dining room, as well as the hours of hiking and swimming in the huge pool. This week, Leader Juanita Alford and Ruth Peterson motored up to camp to get a first hand look, taking the eight girls who will leave today for eight glorious days at the camp. Among those looking forward to further study of handicrafts are Louanna Alford, Tony Mangiagli, Karen Peterson, Joan and Jeannette Babjohn, Donna Bertrand, and Sandy Peterson.
